THE 4-H CHALLENGE AHEAD\*

Reserve

Only a great people make a great nation, and truly tomorrow's world will need not only great leaders but great followers as well. Great in being equipped to farm our lands properly--work its mines--strengthen our homes--use our money--conserve our resources wisely. And great too in living with others--planning and sharing with others--building communities--guiding our policies toward higher achievements and social betterment for all mankind--and taking part in its fulfillment.

All other plans for the future depend on the wisdom of the leadership and understanding by the people. And before there is time for many improvements, the great people of tomorrow will be those who are the youth today.

Such great people are made up of individuals--each with his own high aspirations and hopes of achievement--of importance--of security--of happiness. To prepare youth for their place in a more perfect America is the job of education.

The 4-H Club program proudly takes its place with others in helping to carry out the responsibility that education must assume. To serve rural America particularly--but looking to all youth eventually--is the double responsibility of 4-H work.
